Subject: RFFO's Response to K-H Letter (01-RF-01776) Demolition of Building 776/777 Complex Out-Buildings and Structures-MSF-036-01

The RFFO has reviewed Kaiser-Hill's letter (Ferri to Mazurowski, 01-RF-01776, dated 7/27/01, subject: Demolition of Building 776/777 Complex Out-Buildings and Structures MSF-036-01) and consider your position for demolition of out-buildng and structures acceptable. This letter is consistent with our previous discussions on this subject and we agree that the ultimate resolution is through the issuance of the forthcoming Decommissioning BIO.

If you have any questions, please contact me at extension 3762.
